MTD

Double Jacket Mill Hose: Build for the toughest industrial water discharge tasks

Rugged conditions call for a hose that doesn't back down! Our most famous mill hose, featuring a thicker outer jacket, is designed to excel—offering extra resistance to abrasion, punctures, and cuts. Perfect solution for water discharge, wash down, and industrial firefighting applications.

- **OUTER JACKET**
  Polyester
- **INNER JACKET**
  Polyester
- **LINER**
  Synthetic Rubber
- **TEMPERATURE RANGE**
  -22°F to 158°F(-30°C to 70°C)
- **STANDARD LENGTH**
  50', 75' and 100'
- **STANDARD COLOR**
  uncoated

FEATURES

- Thicker double jacket for enhanced strength
- Superior abrasion, puncture & cut resistance
- Custom colors, markings & couplings available
- Ideal for water discharge, washdown & industrial firefighting
- Compatible with expansion ring, camlock & pin lug couplings (custom available)

TECHNICAL DATA

Nominal Size		Working Pressure		Test Pressure		Burst Pressure	
inch	mm	psi	bar	psi	bar	psi	bar
1-1/2″	38	250, 400	17, 28	500, 800	34, 56	750, 1200	51, 84
